

RFD TRANSFERS

Bond and Bywater offer an RFD (Registered Firearms Dealer) transfer service, whether you are selling your gun to another buyer who is located miles away from your home, or buying a gun from somewhere miles away which will then be delivered to us, for you to collect.

HOW AN RFD TRANSFER WORKS WHEN BUYING A GUN AND HAVING IT DELIVERED TO YOUR LOCAL RFD BY POST

HOW AN RFD TRANSFER WORKS WHEN SELLING A GUN WHICH WILL BE POSTED

If you wish to send a gun this way, please do the following before bringing it to us for the transfer.

- 1. Write down your name, address and contact number along with the make, model and serial number of the item, to give to us for our records.**
- 2. Pack it well, so that it doesn't move around in the parcel, and get damaged in the post.**
- 3. Cover the parcel with wrapping paper, hiding any reference to it's contents, and tape it securely.**
- 4. Bring it to us for sending to the other RFD.**
